

MISSION SOCIETY IS DOWN TO WORK

Interesting Exercises at the
Methodist Church Sunday.

OFFICERS' REPORTS WERE READ

There Was Also a Meeting For Young
People in the Afternoon, Which Was
Most Interesting—Society in Busi-
ness Session Monday.

Sunday's services at Kavanaugh
Methodist Church proved of unusual
interest, since they were quite a di-
versity from the usual church routine.

In the morning Rev. W. J. Carpen-
ter, for four years pastor of Kava-
naugh Church, favored the congrega-
tion with one of those interesting ser-
mons which made him so popular dur-
ing his stay here. The mere announce-
ment that Mr. Carpenter would
preach brought out a large crowd, and
no one was disappointed at the char-
acter of his discourse. Mr. Carpenter
is very popular here, not only among
members of his denomination, but
with all Christian workers.

In the afternoon, at 8:30 o'clock, a
meeting was held for the young peo-
ple. This meeting was conducted by
Meadames Bruce and Alexander, and
Miss Cherry.

The evening service was devoted to
the work of the Woman's Home Mis-
sion Society, which is holding its an-
nual session here. The meeting opened
with devotional exercises, followed by
an address of welcome in behalf of the
local Society by its president, Mrs. W.
L. Floyd. Mrs. Griffith of Jackson-
ville, State corresponding secretary,
made her report, which was very en-
couraging, showing the growth of the
Society throughout the State. The
meeting concluded with an interesting
talk on general work by Mrs. L. P.
Smith.

Monday's Session.

The Society got down to regular rou-
tine business Monday, holding four
sessions. There are a number of rep-
resentatives present, all of whom seem
to manifest a great interest in the
meeting.

It Is Dangerous to Neglect a Cold.

How often do we hear it remarked:
"It's only a cold," and a few days later
learn that the man is on his back with
pneumonia. This is of such common
occurrence that a cold, however slight,
should not be disregarded. Chamber-
lain's Cough Remedy counteracts any
tendency of a cold to result in pneumo-
nia, and has gained its great popularity
and extensive sale by its prompt
cure of this most common ailment.
It always cures and is pleasant to take.
For sale by all druggists.

The LaCrosse Meeting.

The political meeting at LaCrosse
last Saturday was well attended and
passed off pleasantly. LaCrosse never
does things by halves, the good people
of that precinct always giving the can-
didates a good time and plenty to eat.
No more hospitable people exist than
those of precinct No. 2.

Stomach Troubles.

Mrs. Sue Martin, an old and highly
respected resident of Faison, Miss.,
was sick with stomach trouble for
more than six months. Chamberlain's
Stomach and Liver Tablets cured her.
She says: "I can now eat anything I
want and am the proudest woman in
the world to find such a good medi-
cine." For sale by all druggists.

NEWS OF CITY AND COUNTY CONDENSED

Fred H. Ford, train master of the
Atlantic Coast Line, has gone to
Worthington Springs to recuperate
for a few days. Friends of Mr. Ford
will regret to learn that he is not in
the best of health, but hope the in-
vigorating waters of old Worthington
will soon bring him back to his normal
condition.

One of the handsomest floral sights
noted in this city for some time is the
bed of Easter lilies now blooming in
the yard of Mrs. J. A. Goodwin, corner
North Garden and West Court street.
These beautiful flowers have attract-
ed the attention of pedestrians for the
past four or five days, and have been
greatly admired.

BAR ASSOCIATION SUPPER.

An Enjoyable Spread Was Indulged in
at The Oaks Monday Night.

The Alachua County Bar Association,
of which Col. E. C. F. Sanchez is presi-
dent, entertained at a supper at The
Oaks Monday night, and not only the
members of the Association, but Hon.
J. T. Wells and several visiting attor-
neys were present, and altogether the
occasion proved a most enjoyable one,
the program being interspersed with
talks by the members of the bar.

Hon. Benj. P. Calhoun, State Attor-
ney, expressed his regrets at his in-
ability to be present, having made a
previous engagement with Sheriff Fen-
nell to meet a number of witnesses in
certain liquor cases at the office of the
sheriff at 8 o'clock for the purpose of
investigating charges and decide upon
filing informations. The presence of
Col. Calhoun would have been appre-
ciated by his professional associates,
who regretted equally as much as him-
self that he could not attend.

JUST BREATHE IT.

Hyomei Cures Catarrh in Natural and
Rational Way.

No dangerous drugs or alcoholic con-
coctions are taken into the system
when Hyomei is used in the treatment
of catarrh. Breathed through the
neat pocket inhaler that comes with
every outfit, the balsamic healing of
Hyomei penetrates to the most remote
cells of the nose, throat and lungs,
killing all catarrhal germs, healing the
irritated mucous membrane and effect-
ing a complete and permanent cure.

No medicine taken into the stom-
ach can possibly reach the remote
cells of the air passages, or give the
immediate relief that follows the use
of Hyomei. A few days' treatment is
usually all that is necessary to show
how quickly this remedy will cure cat-
tarrh.

So successful has Hyomei been in
the cure of catarrh among their cus-
tomers that J. W. McCollum & Co. sell
it under a positive guarantee that it
costs nothing unless it gives satisfac-
tion. The complete outfit sells for one
dollar, while extra bottles can be ob-
tained for 50 cents.

Seaboard Parlor Cars.

The Seaboard Air Line operates buf-
fet parlor cars between Waldo and
Tampa on trains leaving Waldo and
connecting with the morning train from

A PRETTY WEDDING.

Marriage of Mr. Baker and Miss Tur-
ner at Lake View Sunday.

One of the prettiest marriages ever
solemnized was that of Miss Belle Zo-
ra Turner of Lake View and Mr.
Benora Baker of Gainesville. At the
home of the bride's parents, Mr. and
Mrs. J. M. Turner, on Sunday, May the
8th, Rev. E. A. Grey officiating.

After the ceremony delicious refresh-
ments were served.

The bride wore a lovely gown of
white china silk, trimmed with Irish
point lace, and never looked hand-
somer than at that time, while the
groom wore the conventional black.

Both parties are well known, the
bride being reared here, and the
groom having held a lucrative posi-
tion in Gainesville for several years.

Mr. and Mrs. Baker took their de-
parture on the 2 o'clock train, accom-
panied by a host of friends who sent
them off amid a shower of rice and old
shoes. They will spend their honey-
moon at Brunswick and other points
on the East Coast.

The bride wore a beautiful travel-
ing dress of champagne silk.

The popularity of the couple was
shown by the number of handsome and
useful presents.

Friends of the contracting parties,
including The Sun, wish them a long
life of undisturbed conjugal bliss.

Was Wasting Away.

"I had been troubled with kidney
disease for the last five years," writes
Robert R. Watts, of Salem, Mo. "I
lost flesh and never felt well and doc-
tored with leading physicians and
tried all remedies suggested without
relief. Finally, I tried Foley's Kidney
Cure and less than two bottles com-
pletely cured me, and I am now sound
and well." During the summer kid-
ney irregularities are often caused by
excessive drinking or being overheated.
Attend to the kidneys at once by
using Foley's Kidney Cure. J. W.

A Handsome Machine.

Gainesville is gradually getting the
automobile fever, with indications that
it will not be a great while before an
auto will be a common sight upon our
thoroughfares.

The latest acquisition to the list of
autos is a fine Cadillac machine, which
was received a few days ago by J. R.
Fowler. This machine is one of the
handsomest and most modern types,
and has attracted a great deal of at-
tention.

As soon as the county decides on
building hard roads it may safely be
said that automobilizing will become a
popular sport, as well as a business
proposition.

Stop Grumbling.

pain, for Ballard's Snow Liniment will

used Ballard's Snow Liniment in my
family for years and have found it a
fine remedy for all pains and aches. I
recommend it for pains in the chest."

Suicided With Carbolic Acid.

Cincinnati, May 7.—Using a strain
to prevent disfiguring her face, Mrs.
Emma Reyer, wife of a printer, in
the solemn quietude of St. Philome-
nas church, committed suicide with
carbolic acid. She died a few min-
utes after being found, but her iden-
tity was not established for some
time. Despondency because of poor
health is believed to have been the
cause of the act.

A Mountain of Gold.

Could not bring as much happiness

ning sore on her leg, which had tor-
tured her 23 long years. Greatest anti-
septic healer of piles, wounds and
sores. 35c at all drug stores.

CUTICURA REMEDIES AT EXPENSE OF \$4.50

"When I was one month old I was
taken with eczema. After being under
the treatment of two doctors for one
month and no improvement, my
mother was advised by a druggist
to try Cuticura Soap and Ointment.
I was one crust of scales from head to
foot. My mother could brush the scales
off my body; and my finger and toe nails
fell. After using six cakes of Cuticura
Soap and about as much Cuticura Oint-
ment I was completely cured. I am now
seventeen years old and my skin has not
a scar. I am still finding wonders in Cuti-
cura; after washing a fever blister two
days it was completely gone." Your
Cuticura friend, Miss Lola Glascock,
Oct. 27, 1905. Marksboro, La.

The attention of parents is called to
the fact that the Cuticura Remedies
were used on a one month old baby
with complete success, proving what we
have always claimed that these great
curatives are so pure, so sweet, and so
delicately medicated that they may be
used on the youngest infants.

CUTICURA REMEDIES

Are the Best for Skin and Blood

"About three years ago my face be-
gan to get rough with acne and kept
getting worse. A year ago I read in
a paper of the Cuticura Remedies for
the skin and blood. I sent for them
at once. I used the Cuticura Soap,
Ointment, and Pills, and in three
months my skin was soft and smooth,
and the pimples have all disappeared
without the services of a physician. I
think the Cuticura Remedies are the
best that any one can use for the skin
and blood." May G. Schieferle,
Sept. 5, 1905. Santa Paula, Cal.

Agricultural Laborers Strike.

Washington, May 7.—The executive
council of the American Federation of
Labor has given its endorsement to a
strike among 3,000 agricultural labor-
ers in the Arcecho district, Porto Rico.
The laborers are contending for an
increase of wages which it is felt by
the executive council should be grant-
ed. The men on strike are engaged
primarily in the sugar industry.

POLITICAL ANNOUNCEMENTS

For State's Attorney.

To the Democratic Voters of the Eighth Ju-
dicial Circuit of Florida.

Believing that my thirteen years' practice
of law, together with my experience as a
prosecuting attorney, fully fit me to discharge
the duties of State Attorney, I, therefore, at
the request of many friends, announce myself
a candidate for nomination in the Democratic
primary for State Attorney for the Eighth Ju-
dicial Circuit of Florida. If nominated, I
pledge myself to courteously, economically
and faithfully discharge the duties of the office
and to help maintain the dignity and honor of
the office. Respectfully,
JOS. M. RIVERS.

To the Democratic Voters of the Eighth Ju-
dicial Circuit of the State of Florida:

Having served you in the capacity of State
Attorney since July, A. D. 1903, and trusting
that you have approved of the manner in
which I have represented the State and dis-
charged my duties, I solicit your votes at the
coming primary for the position of State At-
torney for the Eighth Judicial Circuit.

Very respectfully,
HENRY P. CALHOUN.

I respectfully announce that I am a candi-
date for the office of State's Attorney for the
Eighth Judicial Circuit of Florida, composed
of the counties of Alachua, Baker, Bradford,
Levy and Putnam. I conceive the faithful
and energetic discharge of the duties of the
office to be a sacred obligation to the State,
and, if the voters of the circuit favor me with
the nomination, I pledge them that the inter-
ests of the State and of society shall not suffer
through favor or negligence of mine.
